### **BBR RACING BRINGS HOME FIRST WIN OF THE SEASON**

March 13, 2006 Bradenton, FL – The Booze Brothers Racing team achieved their first win of the season at the NMRA kick-off in Bradenton, Florida this weekend. Driver Charlie Booze, Jr. drove the BBR Mustang to victory with an 8.94 e.t. after qualifying in the #3 spot with an 8.99 e.t. “The hard work was in the preparation before the race. We encountered some problems with our new small-inch engine and had to revert back to last year’s combination. But once the qualifying started, we just relaxed and were able to get faster each round,” states Charlie.

According to Charlie, the biggest challenge was getting around Andy Schmidt in the semi-finals, who appeared to be the most consistent, quickest competitor for the weekend. He was able cut an excellent time on the tree to reach the finish line first.

Booze Brothers Racing would like to thank their sponsors for their continued support. “Our sponsors make it possible for us to achieve this level of racing,” said Charlie. BBR sponsors include: BBR Performance, CEB Motors, CEBCO Village Mart, Aeromotive, Autometer Gauges, Bogart Racing Wheels, Canton Racing Products, Competition Cams, Dynotech Engineering, Federal Mogul, Innovator’s West, Innovate Motorsports, Jesel Valvetrain, M2 Race System, MGP, Moroso, Mickey Thompson, MSD, NGK, Performance Automatic, Pro Systems, Smith Brothers Pushrods, Strange Engineering, and Victory Valves.
