December 2, 2005 Orlando, FL – The Booze Brothers Racing Mustang race team represented by driver Charlie Booze, Jr., accepted the 2005 Hot Street Champion trophy at the NMRA Awards Ceremony. The event was held Friday night in Orlando, Florida during the Performance Racing Industry's (PRI) 18th annual trade show. The BBR team is the first 2-time NMRA Hot Street Champion in history, following their 2004 "Perfect Season" being the #1 qualifier and winner of every event.

Charlie Booze, Jr. thanked the team and their supporters during his acceptance speech noting that crew chief Matt Wirt of MW Racefab has been committed to this organization and this class for years. He also commented on BBR's long history with engine builder Jim Kuntz of Kuntz & Company, saying "We've been with Jim Kuntz for nine years and won in every class we've raced his engines."

Charlie and his brother, Brian, own BBR Performance, a comprehensive speed and fabrication shop, which just moved into a brand new 10,000+ square foot facility in Marion, PA.
